

Recycle Right

It's important to recycle right and stick to the basic accepted recyclable items such as cardboard, paper, aluminium cans, metal containers, and plastic containers.

The following are the worst recycling contaminants. **Do not** put these in your recycle bin:

- Food waste and liquids
- Take-Out Containers such as pizza boxes and donut boxes
- Plastic bags- they get caught in the machinery
- Holiday lights, wires, or hoses- they get tangled in the machinery
- Batteries

Not in the Trash

Don't throw away your pumpkins. Instead, bring them to the Drop-Off Center for composting for **free** during the month of November.

Don't get stuffed!

Earn that turkey and stuffing on Thanksgiving Day by participating in the Annual Thanksgiving Charity Boot Camp.

On Thanksgiving Day, Thursday, November 28, come to the Schuetze Recreation Center for a workout from 8am-9am. Just bring 5 or more non-perishable food items as a donation for your workout.
